Sacred Heart Parish is evaluating the option of providing online giving. This option would permit parishioners to make donations to the weekly collection, as well as other special collections. There is no additional cost incurred to any individual who participates in Online Giving. Participants may allocate different amounts for different collections, and view complete, accurate financial records at any time. You can set up a one time or recurring donation, and begin the process in three easy steps by visiting our soon to be launched parish website. Please indicate below if you are interested in learning more about Online Giving.

Those who wish to continue to use traditional methods for the offertory are most certainly welcome. Electronic Funds Transfer (EFT) is also available. However, we ask you to prayerfully consider Online Giving. If you have any questions about the process or need assistance setting up your account, don't hesitate to reach out to our Business Manager in the Parish Office.

**I/We prefer the following donation method:**
