### Required Clearances for Volunteers

Devoting your talents to the church is an important part of stewardship. The diocese requires all volunteers, 18 years of age and older, to have obtained all of the necessary clearances and trainings. In addition, all current volunteers must have their clearances and trainings up to date.

When you have made the decision to become more involved in the life of the parishes and are ready to begin the process of obtaining your clearances or updating those clearances that you already may have, all of the necessary information and links can be found on the Diocesan website at [www.dioceseofgreensburg.org](http://www.dioceseofgreensburg.org), under the heading YOUTH PROTECTION: PA CHILD SERVICES.

The Diocesan mandated clearances and trainings for volunteers include:

1. PA Criminal History Report (every 5 years)
2. PA Child Abuse History Certification (every 5 years)
3. A notarized Volunteer Affidavit of PA residency of 10 or more years or, FBI Fingerprints for PA Residency of less than 10 years. *Please make sure that your affidavit is notarized. (every 5 years)*
4. VIRTUS Training– (or Recertification Training for those who completed VIRTUS in 2015 or 2016) (every 5 years)
5. Diocesan Code of Pastoral Conduct (one time only)
6. PA Mandated Reporter Training (one time only)

For those who are updating their VIRTUS certification: the diocese is requiring that one of the two recertification training courses be completed. The VIRTUS recertification course will take only 30 minutes of your time. Choose either “Protecting God’s Children Recertification Training” or “Keeping the Promise Alive”. Please make sure to print off your certificate once it is completed and submit a copy to the parish.

Please note that if you have completed the state mandated clearances for an employer or another organization, the parishes need to be provided copies of these clearances. In addition, the VIRTUS training program is the only child protection program accepted by the Diocese; there is **no** substitute.

## Fifth Sunday of Easter Reflection

### Spiritual and Religious— Tommy Shultz

The question is often asked why you need religion at all. Can't you just be a spiritual person and go directly to God? Especially in the wake of scandal, doesn't it seem like all human institutions have failed in one way or another to transmit the Gospel to all people at all times?

Years ago a very popular Youtube video showed a man speaking poetry claiming that he loved Jesus but hated religion. This seems to be a modern response to the horrible tragedies that have happened in religious institutions over the course of history, and these tragedies should not ever go unnoticed or the victims of these tragedies be forgotten.

Though it may be coming from a genuine place of concern for people to say they don't need religion, it is clear from the very beginning that Jesus founded a religion, a visible Church. He knew better than anyone that people could come directly to him, but he didn't set it up that way. In today's First Reading we hear a beautiful story of the early Church organizing and ordaining more priests in order to serve the growing needs of the flock. Right from the very beginning in Acts 6 we see the need for a visible Church that can bring the visible Christ to visible people with tangible needs.

Of course we can always go directly to God, but as human beings we often get in our own way. I know many Protestant friends who ask God directly for forgiveness and then have to struggle through mental games wondering if they truly are sorry and repentant. One of the benefits to a visible Church and visible sacraments is that we don't need to guess. Even Catholics can go directly to God and make a perfect act of contrition, but we are required by Canon Law to confess our sins to a priest, not because the Church wants to assure that we feel embarrassed about our sins, but so that we can have the assurance of forgiveness.

Though the Church is not perfect because it is full of very sinful people, myself included, being spiritual and not religious constantly leaves us wondering or worried about where we stand before God. With the Sacraments we need not worry, we have the assurance of Christ.

So take hope during this Easter season that God has set up a Church, that it is a visible body with authority, and that by living in this Church we can be assured that God is working for our salvation, despite the things we do or the lies we believe. Why not have the best of both worlds? Let's make it a point this Easter season to be spiritual and also religious, clinging to the hope that Jesus brings through his death and resurrection.

From all of us here at Diocesan, God bless!
